Genealogy & Local History News at the Round Rock Public Library is published four times a year to promote the genealogy and local history collection and to increase awareness of useful genealogical and historical resources inside and outside the collection.

The Genealogy Collection

The genealogy collection at the Round Rock Public Library continues to grow with materials added by both the library and the Williamson County Genealogical Society. There have also been many recent donations of materials including books, CDs, and genealogy periodicals.

The collection is located on the 2nd floor and is available for use anytime the library is open. There are some helpful binders on top of the microfilm cabinets that contain listings of all materials in the collection. Come by and see what is available.

The library's genealogy website is <http://www.ci.round-rock.tx.us/library/genealogy.html>

Look on the website for current events in genealogy, the latest acquisitions to the collection, genealogical Internet links, as well as a listing of CDs, microfilm, and periodicals in the collection.

The Genealogy & Local History Librarian is Elizabeth L. Johnston. Her usual hours are Sunday afternoons, Monday 3-9pm, & Saturday 9-2:30pm. Her phone number is 512-218-7064 and email is ejohnston@round-rock.tx.us.

Too Many Books?

Consider the genealogy & local history collection when culling through your personal collection of genealogical materials. Mark your items for the genealogy collection and give to either the library or the Williamson County Genealogical Society. Items donated will help many others and are tax-deductible. Also, consider placing a copy of your historic Round Rock photographs and/or documents in the library's local history collection. Contact WCGS' Linda Beebe or Elizabeth Johnston at 218-7064 or ejohnston@round-rock.tx.us.
